Hi, Ulku -
The formal title will likely not be "Head of..." It will likely land as Director, Managing Director.

Great meeting you today.
I am not sure what you mean. Is the role not 'head of financial services'? I thought that was the role.
Looking fwd to working with you.

Hi, Ulku -
Nice to meet you today.
Here is the position spec for the FS role - please don't be thrown by the "Head of..." title - it's just a place holder.
We'll get the scheduling ball rolling with Morgan.
Thank you,
Stuart
